Regenerative Agriculture Strengthening Soil Health and Climate Resilience

India's agriculture and allied sector recorded average annual growth of 4.4% over the past five years and 4.45% during FY2016–FY2025. This growth was led by fisheries and aquaculture at 8.8% and livestock at 7.1%, compared with 3.5% growth in the crop sector. The Government now aims to accelerate crop-sector growth and bring it closer to the performance of allied activities. Regenerative farming is essential to this effort because it can restore declining soil health, improve water-use efficiency, reduce dependence on costly chemical inputs and make crop production more resilient to climate-related shocks, thereby supporting sustained productivity and higher farm incomes.

Regenerative agriculture offers a practical way forward. Through methods that restore soil health, conserve water and improve climate resilience, it can support stable yields, reduce input costs and raise farm incomes. It can therefore contribute to sustainable agricultural growth, a healthier environment and long-term rural prosperity.

Major Practices of Regenerative Agriculture

Regenerative agriculture includes a range of farming practices undertaken with the intent to conserve water, restore soil health, use farm resources efficiently and protect farmers from climate-related risks.

Water and Resource Efficiency

Micro-irrigation: Micro-irrigation systems, such as drip irrigation, sprinklers and foggers, supply water close to plant roots. This reduces water wastage, improves crop growth and helps farms cope with drought and water scarcity.

Farm Mechanisation: Farm machinery enables farmers to complete agricultural operations accurately and on time. It can reduce the unnecessary use of water, fuel and fertilisers, thereby lowering costs, improving productivity and limiting farming's environmental impact.

Soil and Nutrient Management

Efficient Use of Nitrogen Fertilisers: Nitrogen management involves applying the right fertiliser in the correct quantity

Understanding Regenerative Agriculture

Aspect	Explanation
Meaning	A holistic farming approach that restores soil health, enhances biodiversity and strengthens farm resilience.
Why Healthy Soil Matters	Healthy soil supplies nutrients, retains water, stores carbon and supports beneficial organisms.
How It Is Different	Sustainable agriculture maintains existing resources, while regenerative agriculture actively improves them.
Key Practices	Minimise soil disturbance, protect living roots, maintain soil cover, integrate livestock, limit chemical inputs and enhance biodiversity.
Benefits to Farmers	More stable yields, lower dependence on costly inputs and greater resilience to changing weather.
Long-term Outcome	Healthier ecosystems, secure farm livelihoods and lasting agricultural prosperity.

and at the appropriate time. Techniques such as deep placement of urea and the use of leaf colour charts help farmers assess crop requirements more accurately. Biological inputs, cyanobacteria and legume intercropping can further improve nitrogen use and reduce environmental pollution.

Natural Farming: Natural farming is a chemical-free approach based on India's traditional agricultural knowledge. It uses farm-made biological inputs such as *Beejamrut*, *Jeevamrut*, *Ghan Jeevamrut*, *Neemastra* and *Dashparni*, often prepared using materials obtained from native livestock. It also encourages traditional seeds, botanical pest-control preparations, continuous soil cover, multiple cropping, mulching and minimal soil disturbance. Combining livestock with diverse crops can improve soil fertility, restore ecosystems and reduce farmers' input costs.

Soil Health Management: Green manuring, cover cropping and mulching are important methods of improving soil health:

- Green manuring involves growing selected crops and mixing them into the soil to add nutrients and organic matter.
- Cover cropping protects bare soil from erosion, maintains soil carbon and supports nutrient cycling.
- Mulching covers the soil with leaves, straw or other organic material. It conserves moisture, regulates soil temperature, controls weeds and supports beneficial microorganisms.

Integrated and Climate-Resilient Farming

Integrated Farming Systems: An Integrated Farming System combines

crops with activities such as livestock rearing, fisheries, horticulture, agroforestry and beekeeping. Practices such as crop rotation, intercropping, multi-cropping and mixed farming allow farm resources to be used more efficiently. This approach provides farmers with multiple sources of income, reduces dependence on a single crop and lowers the risk of losses during floods, droughts or crop failure.

Agroforestry: Agroforestry combines trees with crops, fruit plants or plantation crops. Trees can provide farmers with additional income while conserving soil moisture, regulating local temperatures and storing carbon. In rainfed areas, agroforestry can also restore degraded land and reduce the effects of unpredictable rainfall. It therefore supports both environmental protection and long-term farm productivity.

Climate-Resilient Agriculture: Climate-resilient agriculture prepares farming systems to withstand changing weather conditions. It includes balanced nutrient use, effective pest control, efficient water management, soil-moisture conservation and suitable land-preparation methods. Community initiatives-such as water-sharing groups, seed and fodder systems, community nurseries and collective marketing-also help farmers manage climate-related risks. Together, these measures strengthen farms against droughts, floods and other climatic shocks.

Benefits of Regenerative Farming

Regenerative agriculture benefits farmers as well as the environment. It improves soil fertility, conserves water, reduces input costs and supports more stable agricultural production. It also creates diverse income opportunities and

makes rural livelihoods more resilient. By combining traditional knowledge with suitable modern practices, regenerative agriculture offers a practical pathway towards sustainable farming and long-term prosperity.

Environmental Outcomes

Soil Restoration: Regenerative practices rebuild soil organic matter, improve soil structure, and enhance long-term soil fertility, supporting stable agricultural productivity.

Biodiversity Enhancement: Regenerative approaches create favourable conditions for a wide variety of species, including pollinators, beneficial insects, and soil microorganisms. This helps in strengthening overall ecosystem balance.

Climate Change Mitigation: These systems absorb and store more carbon than they emit, helping reverse agricultural emissions.

Water Efficiency: Healthier soils improve water retention and reduce runoff. This limits soil erosion and the flow of sediments and pollutants into rivers and lakes, helping protect water bodies.

Economic and Social Outcomes

Profitability: Healthier soils reduce dependence on synthetic fertilizers, pesticides, and irrigation. This lowers input costs, stabilizes yields, and enhances farmers' net incomes.

Employment Generation: Regenerative agriculture creates new livelihood opportunities across farming, advisory services, technology, and ecological management.

Greater Resilience: Farms adopting regenerative practices are better equipped to withstand climate variability and market fluctuations.

Promoting Regenerative Agriculture through Targeted Interventions

The Government of India is implementing a wide range of schemes to promote regenerative agricultural practices. Some of the key initiatives support natural and organic farming, agroforestry, micro-

Regenerative Agriculture : Strengthening Soil Health and Climate Resilience

irrigation, integrated farming systems, and scientific soil health management.

National Mission on Natural Farming: The National Mission on Natural Farming (NMNF), launched in 2024, creates a favourable support ecosystem to help farmers progressively transition to natural farming. The scheme provides an output-based incentive of Rs. 4,000 per acre per year for two years, covering up to one acre per farmer. In order to support farmers with easy access to bio-inputs such as *Jeevamrit* and *Beejamrit*, the mission provides for 10,000 need-based Bio-input Resource Centres. It also envisages the formation of natural farming clusters. Each cluster is supported by two Community Resource Persons (CRPs) to guide farmers in natural farming practices.

As of 05 March 2026, 18,786 clusters have been formed across the country. These clusters cover 8.80 lakh hectares, and 18.19 lakh farmers have been enrolled to promote Natural Farming. Additionally, 33,676 CRPs have been trained at Krishi Vigyan Kendras (KVKs)/ Agricultural Universities (AUs)/ local natural farming institutions.

Paramparagat Krishi Vikas Yojana: PKVY, launched in 2015, has emerged as a key pillar of India's organic farming initiative. It provides farmers with an organised framework for adopting eco-friendly practices, obtaining organic certification, and accessing markets that reward sustainable production. Under the scheme, farmers adopting organic farming are supported with Rs. 31,500 per hectare over three years. As of 31 October 2025, a total area of 16.90 lakh hectare has been covered under PKVY since its inception.

Per Drop More Crop: PDMC is being implemented across the country since 2015-16. It helps improve on-farm water use efficiency through micro-irrigation systems, specifically drip and sprinkler

irrigation. Drip irrigation delivers water directly to plant roots through pipes and emitters, reducing water wastage. Sprinkler irrigation sprays water onto the field through pipes and nozzles, ensuring uniform coverage.

Under PDMC, the Government provides 55% financial assistance to small and marginal farmers and 45% to other farmers for installing these systems. In addition, some states provide top-up subsidies to farmers from their own budgets.

Implemented since 2015-16, the scheme has covered about 109 lakh hectares as of May 2026. A total of Rs. 26,325 crore in central assistance has been released, significantly improving water-use efficiency.

Rainfed Area Development Programme: RAD, being implemented since 2014-15, promotes Integrated Farming Systems (IFS) through an area-based cluster approach. The programme encourages practices such as multi-cropping, crop rotation, inter-cropping, and mixed cropping. These are integrated with allied activities, including horticulture, livestock, fisheries, and apiculture, to enhance farm income, strengthen livelihoods, and build resilience to climate extremes.

Under RAD, clusters of about 20 hectares are developed within one or more adjoining villages. This approach promotes convergence, encourages community participation, and supports wider replication of successful models. Farmers are supported with financial assistance of Rs. 30,000 per family for adopting IFS. An additional Rs. 10,000 per cluster is provided for training and capacity-building activities.

Since its inception, Rs. 2251.98 crore has been provided as Central Assistance to States for adopting IFS. The scheme

KEY GOVERNMENT INITIATIVES DRIVING REGENERATIVE AGRICULTURE

National Mission on Natural Farming (NMNF)

Promotes chemical-free natural farming through bio-inputs, farmer training, and community-led adoption

Paramparagat Krishi Vikas Yojana (PKVY)

Encourages organic farming through financial support, certification, and market linkages

Per Drop More Crop (PDMC)

Improves water-use efficiency by promoting micro-irrigation systems

Rainfed Area Development Programme (RAD)

Promotes integrated farming systems by combining crops with allied activities

Agroforestry Component under PM-RKVY

Supports tree-based farming through the production and availability of quality planting material

Soil Health Card Scheme

Promotes scientific soil nutrient management through soil testing and crop-specific recommendations

Source: Ministry of Agriculture & Farmers Welfare

Advancing Sustainable Development through Regenerative Agriculture

Supporting SDG 13: Climate Action

What Target 13.1 Seeks

Target 13.1 calls for stronger resilience and greater capacity to adapt to climate-related hazards and natural disasters.

Role of Regenerative Agriculture

Regenerative agriculture restores soil health, increases carbon storage and can reduce greenhouse gas emissions. These practices address climate risks while strengthening the natural resources on which farming depends.

How Healthy Soil Builds Resilience

Healthy soil absorbs and retains more water, reduces erosion and supports stronger crop growth. It helps farms cope with droughts, floods, irregular rainfall and other weather-related stresses.

Healthy Soil

Lower Climate Risk

Resilient Farms

Sustainable Development

Benefits for Farmers

- More stable agricultural production
- Better adaptation to changing weather
- Protection of farm incomes and rural livelihoods
- Stronger long-term environmental sustainability

Regenerative agriculture connects climate action with secure farming and long-term prosperity.

covered 9.53 lakh hectares and benefitted 15.73 lakh farmers (as of December 2025).

Krishi Vigyan Kendras: KVKs further support the programme through demonstrations and training on location-specific IFS models. During 2024-25, KVKs conducted 4,416 demonstrations and trained 96,013 farmers on different IFS models.

In FY 2025-26, an allocation of Rs. 343.86 crore was made to States/UTs for the implementation of RAD, under which 96,013 farmers received training.

Sub-Mission on Agroforestry: The erstwhile Sub-Mission on Agroforestry (SMAF) was restructured as the Agroforestry Component under the *Pradhan Mantri Rashtriya Krishi Vikas Yojana (PM-RKVY)* from 2023-24. It supports the establishment of agroforestry nurseries to provide Quality Planting Material (QPM) to farmers. The scheme component includes:

- Establishment of new nurseries,
- Raising of saplings in existing nurseries,
- Setting up tissue culture units,
- Skill development and awareness,
- Research and development,
- Monitoring and evaluation,
- Specialised technical activities,
- Formulation of projects for the voluntary carbon market in the agriculture sector, and
- Local initiatives

It provides 100% assistance to Government agencies and 50% back-ended credit-linked assistance to private beneficiaries.

During 2025-26, as on 31 October 2025, sanctions amounting to Rs. 78.31 crore were issued to 27 States/UTs. A total of 135 new nurseries were established. Sapling production was undertaken in 614 existing nurseries. About 176.59 lakh saplings were raised in these nurseries, benefitting around 25,693 farmers.

Soil Health Card Scheme: Launched in 2015, the Soil Health Card Scheme (SHC) provides farmers with plot-wise soil test reports, generated through scientific testing, for each landholding. The card assesses soil health on 12 key parameters, covering macronutrients, micronutrients, and critical soil properties.

Issued every 2 years, the Soil Health Card helps farmers understand the nutrient status and physicochemical conditions of their soils. It provides crop-specific recommendations on the appropriate use of chemical fertilisers, bio-fertilisers, organic inputs, and soil treatments.

As of March 13, 2026, a total of 25.89 crore Soil Health Cards have been generated since inception. Around 7.17 lakh demonstrations have been conducted to promote balanced fertiliser use. These demonstrations were conducted through advisories supported by the Agricultural Technology Management Agency (ATMA) and Krishi Vigyan Kendras (KVKs). In addition, 70,002 Krishi Sakhis have been trained to support the dissemination of soil health advisories at the grassroots level.

Growing towards a More Resilient Future

Regenerative agriculture is gradually reshaping the future of Indian farming. It restores soil health while improving resilience and resource efficiency. Practices such as natural farming, agroforestry, micro-irrigation, and integrated farming are contributing to resource-efficient agricultural systems.

Government initiatives are helping farmers adopt these approaches at scale. As more farmers embrace regenerative practices, agriculture can become both environmentally sustainable and economically rewarding. The journey begins with healthier soils and leads towards more resilient farms and secure livelihoods.

Supreme Court of India

No. F.6/2026-SC(RC)

New Delhi, dated August 24, 2026

RECRUITMENT FOR THE POST OF ASSISTANT REGISTRAR (COMPUTER) ON DEPUTATION BASIS

Applications are invited from eligible officers under Central Government/State Government/Universities/recognized Research Institutes or any High Court having the following qualifications and other eligibility conditions as on 1st August, 2026 for selection for appointment to one post of Assistant Registrar (Computer) on deputation basis in Level 12 of the Pay Matrix with initial Basic Pay of Rs. 78800/- plus allowances as admissible under the rules.

Essential qualification

Master's or Bachelor's degree in Computer Applications or B.E. in Computers or IT or B.Tech in Computers from a recognized University or equivalent.

Experience

Minimum 5 years' experience under the Central/State Govt./Universities/recognized Research Institutes or any High Court: Holding analogous posts on regular basis in the parent cadre/department.

Experience of working in Linux/Unix/Windows Administration with expertise in Web Server, DHCP, DNS Configuration.

Experience of working in client-server and web-based technologies, LAN/WAN Network Administration (CCNA, CCNP Certification preferred).

Experience in Development in C++, Java, Python, PHP, My SQL, database administration, Postgres SQL, Oracle, System Analysis and Design. Knowledge of all the stage PLC for Software development and open source technology.

Age Requirement

The candidates should be below 56 years as on 1st August, 2026.

Other information and application form prescribed for the post of Assistant Registrar (Computer) can be downloaded from the website of the Supreme Court of India, i.e., www.sci.gov.in.

Closing date of receipt of applications:

The applications must reach the Recruitment Cell, Supreme Court of India, Tilak Marg, New Delhi by 5.00 p.m. on or before 30th September, 2026.

Postgraduate Institute of Medical Education & Research Chandigarh

Corrigendum

Refer advertisement Notice No. PGI/RC/2026/052/2053 Dated: 12.08.2026 issued for recruitment of 13 posts of **Assistant Professors** in different specialties for PGIMER, Satellite Centre, Sangrur. It is for the information of all concerned that as per the instructions of the advertisement notification, the mode of collection of application fee was through Challan. However, due to administrative reasons, it has been decided that the collection of application fee will be made through Demand Draft instead of challan. The demand draft is required to be made by following the below mentioned Instructions:-

- Demand Draft should be prepared of amount of application fee [Amount, e.g., Rs.1500/- for UR/OBC/EWS category candidates, Rs.800/- for SC/ST category candidates] (The candidates belonging to PwBD category need not to prepare / furnish Demand Draft)
- **In Favour Of:** Postgraduate Institute of Medical Education and Research, Chandigarh
- **Payable At:** Chandigarh
- Candidates are required to write **their Full Name, Category, Name of the post applied and Mobile Number** clearly on the back of the physical Demand Draft using a ballpoint pen.
- Send the original DD alongwith the original application form & supporting documents via Speed Post / Registered Post/ By Hand to the following address: **Recruitment Cell, Kairon / Administrative Block, PGIMER, Sector-12, Chandigarh, Pin Code – 160012.**
- Ensure your package reaches us on or before **[Deadline Date, e.g., October 15, 2026 till 05:00 PM]**. No application will be considered after the due date i.e. 15.10.2026.

Note: Payments made through Cheques, Cash, Money Orders or Postal Order will not be accepted. The application fee is non-refundable.

Other terms & conditions of advertisement Notice No. PGI/RC/2026/052/2053 Dated: 12.08.2026 will remain the same. For further details please visit the Institute website i.e. www.pgimer.edu.in. For any further query, candidate may contact **Sr. Administrative Officer (RC)/ Assistant Administrative Officer (RC)** PGIMER, Chandigarh on telephone no.0172-2755578, 0172-2755579 or visit personally the reception counter of Recruitment Cell on any working day between 2.00 PM to 4.00 PM.

- i) Visit the **official website of RRC/SER (www.rrcser.co.in)** > Railway Recruitment Cell. Click on "Online/E-Application for Scouts & Guides Quota/ 2026-27" link. Click on the "New Registration" link.
- ii) Fill in the personal information viz. Name, Father's name, Date of Birth, Community, e-mail Address and Mobile number. On submission of required details an e-mail/SMS will be received in the registered e-mail ID/Mobile number. Open inbox of your registered e-mail/SMS and note the registration number and password.
- iii) Login-using the Registration number & password sent in the-mail/SMS.
- iv) Follow the instructions and complete the registration process step-by-step.
 - a) Upload the scanned copy of Photograph, Signature and LTI, self-attested certificates in proof of date of birth, education/technical qualifications and caste i.e., SC/ST/OBC/EBC/EWS, income certificate, self-declarations pertaining to the OBC candidates and minority community candidates and Scouts & Guides achievements.
 - b) Fill up the mandatory fields of Application form.
- v) During submission of Online application, a Unique Application Number will be generated and issued to each candidate. Candidates are advised to preserve/note their Registration Number for further stages of recruitment process/correspondence.
- vi) To avoid last minute rush, candidates are advised in their own interest to register and submit ONLINE application much before the closing date since there may be a possibility of inability/failure to log on to the website of RRC concerned on account of heavy load on the internet or website during last days of Online registration.
- vii) Candidates should note that applications received directly to RRC/SER will not be entertained.
- viii) No change whatsoever will be entertained after final submission of Online application and hard copy should be the same as submitted Online.
- ix) Submit the properly filled up application form. Take 2 copies of print out of properly filled up application form.
- x) Candidates should have their own mobile number, valid & active personal email-id and should keep them active for the entire duration of recruitment as RRC shall send all recruitment-related communication only through SMS and email. RRC/SER will not entertain any request for change of mobile number and e-mail address at any stage.
- xi) RRC/SER does not accept any responsibility for the candidates not being able to register and/or submit their application within the last day on account of aforesaid reasons or any other reason.
- xii) In case of any difficulty in filling up of Online application, please call on the Help Line Number and E mail ID mentioned on the website of RRC/SER.

13.0 INVALID APPLICATIONS:

The applications having any of the following deficiencies, discrepancies or irregularities are liable to be rejected:

- i. Applications sent manually.
- ii. Registration of more than one application by the same candidate.
- iii. Application examination fee not paid or insufficient examination fee.
- iv. Application without proper scanned photograph, signature and LTI, other enclosures.
- v. Application without uploading proper certificates, in respect of Date of Birth, educational qualification and caste, obtained from the appropriate authority in the prescribed format as per Annexure.
- vi. Candidate not possessing the prescribed educational, Scouts & Guides qualifications or Certificates at the time of submitting application.
- vii. Over age or date of birth not filled or wrongly filled.
- viii. Photograph not uploaded, black-and-white photograph, photo with cap or sunglasses, disfigured, small size, full body, only one side view of the face or unrecognizable photo etc.
- ix. LTI/Signature not uploaded PROPERLY or signature uploaded in capital letters.
- x. Any other irregularities which are considered invalid by RRC/SER. Note: - This list is only illustrative and not exhaustive. The applications will be rejected on any other irregularity/deficiency noticed by the RRC/SER at any stage.
- xi. The application is liable to be rejected if any of the compulsory enclosure is not attached as indicated in the proforma of the application or the application is found defective in any respect.
- xii. No column should be left blank, which also may be the cause of rejection of the application.

14.0 IMPERSONATION/SUPPRESSION OF FACTS-WARNING:

- i) Any candidate found using unfair means of any kind in the examination, sending someone else in his/her place to appear in the examination, attempt to impersonate will be debarred from appearing in all the examinations of all the RRBs/RRCs for lifetime. He/she will also be debarred from getting any appointment in the Railways and if already appointed, will be dismissed from service. Such candidates are also liable for legal prosecution.
- ii) Furnishing of any false information to the RRB/RRC or deliberate suppression of any information at any stage will render the candidate disqualified and debarred from appearing at any selection or examination for appointment on the Railways or to any other Government service and if appointed the service of such candidate is liable to be terminated.
- iii) Candidates found submitting forged/fake certificates/documents of any kind for securing eligibility and/or obtaining privileges, including free travel for appearing in the WRITTEN EXAMINATION/DV shall lead to rejection of their candidature

Continued on page 22

Continued from page 21

for the particular recruitment for which he/she has applied. Further, he/she will also be debarred from all examinations conducted by all RRBs/RRCs all over the country for a period of 2 years/for life as deemed fit and legal action will be initiated, if warranted.

iv) Candidate shall not bring in or attempt to bring in any political or other influence to further his/her interest in respect of the recruitment. Candidature of such candidates is liable to be rejected.

15.0 IMPORTANT POINTS TO BE NOTED:

i. The decision of the Administration in all matters relating to eligibility, acceptance or rejection of applications etc. will be final and no enquiry or correspondence will be entertained in this connection. The Administration does not undertake any responsibility for sending any reply to the candidates for not being selected or not called for in Written Test/Document Verification.

ii. Canvassing in any form will disqualify the candidature.

iii. As per the extant rules a 2nd Class journey Pass from Home Station to the place of Examination and back will be issued to SC/ST candidates for appearing in written test as well as Document Verification.

iv. Kindly ensure to bring e-call letter, Valid and ORIGINAL photo Identification Card (viz. Voter Card, Aadhaar Card, e-Aadhaar, Driving License, PAN Card, Passport, Identity Card issued by his/her Employer in case the candidate is a Government Employee etc.), 4 (Four) Passport size photograph etc. without which the candidate will not be allowed to appear in Written Test.

v. No TA/DA/Accommodation will be given for appearing in the selection Written Test etc.

vi. The candidates may be required to stay during the selection Written Tests for 2-3 days for which they have to make their own arrangements.

vii. The Railway Administration reserves the right to fix any date and venue for Written Tests etc., change in venue or postponement of Written Tests etc. for its own convenience, which can also be cancelled due to unforeseen causes against which no request/claim will be entertained.

viii. Candidates who would be called for Written Test should prepare themselves to attend the same within short notice.

ix. Non-fulfilment of any of the criteria mentioned in this advertisement will make the application liable for rejection. All or any of the terms/conditions in the notification can be modified/cancelled.

x. Railway Administration does not undertake any responsibility for sending reply to candidates not selected or not called for.

xi. Mere calling/appearing for Written Test etc. does not confer any right or claim for appointment.

xii. List of the successful candidates in written test will be published which shall be provisional till completion of departmental verification of all qualifications, certificates etc. and found genuine along with the completion of other formalities as per extant rules.

xiii. FURTHER DETAILS LIKE LIST OF CANDIDATES FOUND ELIGIBLE FOR ATTENDING WRITTEN TESTS, DATES AND VENUES OF WRITTEN TESTS AND OTHER NECESSARY INFORMATION RELATED TO THIS

RECRUITMENT WILL BE AVAILABLE ON THE RRC OFFICIAL WEBSITE (www.rrcser.co.in)

xiv. Verification of all testimonials and certificates will also be mandatory condition for appointment. Place of Posting will be decided by the Competent Authority.

xv. The list of eligible/ineligible candidates will be published on the website of RRC.

xvi. The eligible candidates may download their E-Call Letter/Admit Card from the RRC website in due course. Candidates are advised to visit RRC website regularly for various information of the stages of selection. RRC reserves the right to conduct the Written Test on various dates and locations as decided by the RRC.

xvii. Candidature of the candidate is provisional at all stages of selection subject to fulfilment of all eligibility condition and RRC reserves the right to cancel the candidature at any stage if found not eligible under the Rules/Instructions issued by the Railway Board from time to time.

xviii. Railway Administration will not be held responsible for failure of candidates to check notices on RRC/SER's website.

xix. Serving Government Employees should take NO OBJECTION CERTIFICATE from appropriate authority.

xx. Candidates who would be called for Written Test should prepare themselves to attend the same within short notice.

xxi. Posting of selected candidates would depend on availability of vacancies, medical fitness and decision of Competent Authority.

xxii. PROHIBITION OF THE MOBILE PHONES AND OTHER COMMUNICATION ELECTRONIC DEVICES. Possession/use of Mobile phones, Pagers, Communication/recording devices and any other electronic devices are strictly prohibited inside the premises where the Written Test is being conducted. Any violation of these instructions shall entail cancellation of the candidature without prejudice to other criminal/disciplinary action including debarment from future examinations.

xxiii. Candidates are also advised not to bring any valuable/costly items to the examination halls, as safe-keeping of these items cannot be assured. Administration will not be responsible for any loss in this regard.

xxiv. LEGAL JURISDICTION: For any legal disputes, the jurisdiction will be Hon'ble Central Administrative Tribunal, Kolkata.

CAUTION: Recruitment is purely merit based. South Eastern Railway has not appointed any agent or coaching centre for acting on its behalf in connection with this recruitment. Candidates are cautioned against any false claims made by any unscrupulous persons/agencies of getting them selected in this recruitment on illegal consideration. If they come across any such persons/agencies, please do inform to Chairman, Railway Recruitment Cell, South Eastern Railway, 11 Garden Reach, Kolkata-700043. They can also inform to the Sr.DGM, South Eastern Railway, 11 Garden Reach, Kolkata-700043 and local police.

PM Urges Youth to Explore Sports Careers

Prime Minister Shri Narendra Modi has said there is a sea of opportunities in the sports domain and young people should explore careers ranging from coaching and sports science to equipment design, technology, medicine, nutrition, psychology and performance analytics. Addressing the *Khelo India* Dialogue through videoconferencing on August 27, he encouraged the youth to connect their interests and professional ambitions with India's expanding sports ecosystem. He said *Khelo India* was nurturing young athletes by providing opportunities, training and support from talent identification to the international stage. The Prime Minister also called for specialised preparation in disciplines

where India has limited participation, including surfing, sport climbing and winter sports. Describing sports as a pathway to confidence, resilience and national development, he urged young people to pursue their potential and contribute to India's sporting future.

Indian Army Raises First Baaz Drone Battalion

The Indian Army has raised its first Baaz Battalion of advanced drones in Punjab to strengthen aerial surveillance, battlefield responsiveness and operational reach. The Vajra Corps, also known as the 11 Corps and the defenders of Punjab, has become the Army's first formation to operationalise the specialised unit. Named after a bird of prey, the battalion will serve as the Army's "eyes in the sky"

and provide troops with a stronger battlefield advantage. The General Officer Commanding of the Vajra Corps interacted with the unit's aviators and personnel on its raising day. The technology-driven formation highlights expanding roles for specialists in drone operations, maintenance, data analysis and battlefield surveillance.

Missile Technology Transfer to Boost Defence Manufacturing Jobs

The Defence Ministry has approved the transfer of Defence Research and Development Organisation-developed missile technologies to India's private defence industry. The move will enable domestic companies to take missile systems from the development stage to industrial production. It is expected to expand indigenous manufacturing and create opportunities for micro, small and medium enterprises and other technology partners in the defence supply chain. The initiative could generate demand for skilled professionals in engineering, electronics, precision manufacturing, testing and advanced defence technologies. The DRDO will support companies in absorbing the technologies, helping reduce imports and increase domestic value addition.

IICT, Netflix Offer Scholarships to Aspiring Storytellers

The Indian Institute of Creative Technologies (IICT) and Netflix have come together to offer scholarships to 100 aspiring storytellers across India. Students and working professionals are eligible to receive up to 80% financial support for six diploma and certificate programmes. The courses cover comics, visual effects, animation, virtual art, media technology, gaming and e-sports

management. Learners will gain industry-relevant skills, strengthen their portfolios and improve their prospects in creative careers. IICT Chairman Shri Chanchal Kumar said the initiative aims to prepare Indian talent for opportunities in the rapidly growing Animation, Visual Effects, Gaming and Comics-Extended Reality (AVGC-XR) industry.

UPI Marks 10 Years, Fuels India's Digital Economy

The Unified Payments Interface (UPI) has completed ten years since its launch in 2016, establishing India as a global leader in digital payments. Now operational across 11 countries, the real-time payment platform has become a key pillar of India's Digital Public Infrastructure. Annual transactions increased from 1.78 crore in 2016-17 to more than 24,162 crore in 2025-26, while their value surged from Rs. 7,000

crore to nearly Rs. 314 lakh crore. Prime Minister Shri Narendra Modi described UPI as a turning point in India's digital-payments journey and invited citizens to share their experiences. Its expansion has promoted financial inclusion and created opportunities in fintech, banking technology, cybersecurity, data analytics and digital services.

India Sends Assistance as Nepal Struggles to Recover After Devastating Floods

In the aftermath of the devastating flash floods that tore through Nepal, survivors continue searching for relatives among flattened settlements, broken roads and layers of mud. The disaster began when a massive section of a Himalayan glacier collapsed in Langtang National Park, unleashing a violent mixture of water, ice, rock and debris into connected river systems. The torrent thundered through valleys, sweeping away homes, vehicles, and bridges within seconds and leaving hundreds dead and many more missing. Rescue teams have evacuated stranded and injured people despite damaged infrastructure cutting off several communities. India has dispatched several tonnes of humanitarian assistance, including medicines, food packets and other essential supplies. Indian agencies have also rescued groups of stranded nationals, while efforts continue to trace others who remain uncontactable. A round-the-clock control room established by the Ministry of External Affairs is coordinating tracing, rescue and evacuation efforts with Nepalese authorities, State Governments and tour operators.

India and Seychelles Eye AI-Driven Growth in Fisheries

India and Seychelles have decided to harness marine resources through artificial intelligence, digital fisheries, data systems and stronger monitoring, control and surveillance infrastructure. The proposals were discussed at a high-level bilateral meeting held in New Delhi on August 26, between an Indian delegation led by Fisheries Secretary Shri Abhilaksh Likhi and a Seychelles delegation headed by Fisheries, Agriculture and Blue Economy Minister Mr Wallace Cosgrow. The countries will expand cooperation in aquaculture, scientific research, modern hatcheries, tuna-fisheries optimisation and sustainable harvest management. Their proposed partnership will also strengthen tuna processing, product diversification, post-harvest engineering and sustainable fish-waste management. Knowledge-sharing, specialised training and capacity-building programmes are expected to create opportunities for skilled professionals in marine science, technology, surveillance and food processing.

SPORTS

Praggnanandhaa Becomes First Indian to Win Grand Chess Tour

Grandmaster R. Praggnanandhaa made history by becoming the first Indian to win the Grand Chess Tour, defeating defending champion Fabiano Caruana 15-13 in the final at St. Louis, United States. Trailing by six points at the start of the final day, the Indian staged a remarkable comeback by winning both rapid games. He then protected his advantage across four blitz games to secure the championship. Praggnanandhaa received the \$200,000 first prize and earned a guaranteed place in the next edition of the tour. Wesley So finished third after defeating Vincent Keymer 18-12 in the playoff.

Kajal Dhochak Retains U20 World Wrestling Crown as Indian Women Claim Six Medals

India's Kajal Dhochak successfully defended her U20 World Wrestling Championship title in Bratislava, Slovakia, on August 20, 2026. Competing in the women's 76 kg category, the 18-year-old defeated China's Jingru Sun 7-0 in the final and completed her campaign without conceding a point. It was her second consecutive U20 world title and her fifth successive gold medal of the year. India also secured three silver medals in the women's competition. Tanu Sharma lost a closely contested 72 kg final 3-5 to Japan's Chisato Yoshida, while Savita went down 2-12 by technical superiority against Japan's Sakura Onishi in the 62 kg category. Mansi Lather narrowly missed gold in the 68 kg final after China's Chenling Song edged her 2-1. Tanvi Gundesh Magdum earned bronze in the 57 kg category with a convincing 10-4 victory over Canada's Agnia Krakovska. Komal added another bronze by defeating Hungary's Eda Balazs 5-2 in the 59 kg playoff. With one gold, three silver and two bronze medals, India's women wrestlers delivered a strong showing at the championships.

Pranesh M Wins Kanizsa Open Chess Title

India's 19-year-old Grandmaster Pranesh M won the Group A title at the Kanizsa Open 2026 in Nagykanizsa, Hungary. The Tamil Nadu player defeated Germany's Vadim Petrovskiy with the white pieces in the ninth and final round. Pranesh finished with seven points from nine rounds, sharing the lead with three other players before securing the title on a superior tiebreak. Israel's Or Bronstein, Ukraine's Andrei Volokitin and India's Karthik Venkataraman occupied the next three positions. Rated 2673 and ranked 44th in the August 2026 FIDE rankings, Pranesh was congratulated by the Indian Embassy in Hungary for his achievement.
